Sauvignon Blanc 100% Musque Clone

2007 Vintage:

90 Points & Best Buy *Wine Enthusiast* Magazine May 2009:

A fine Sauvignon Blanc whose slight sweetness is completely balanced with crisp acidity. Satisfies for the richness of the grilled pineapple, green apple jam and white pepper flavors.

91 Points – Wilford Wong February 2009:

There is no question that the Fortress Sauvignon Blanc stands as one of America's best white wines; rich in ripe core fruit flavors with a streak of citrus and smoke; long finish.

2006 Vintage:

91 Points-Editors' Choice *Wine Enthusiast* Magazine May 2008:

Fortress is establishing a formidable record for Sauvignon Blanc. The '06 is rich, elegant and enormously drinkable. There's a great delicacy to the mouthfeel with stony, mineral flavors that finish so dry and crisp. The Red Hills of Lake County is proving to be an extremely promising source of Bordeaux varieties, both red and white.

2004 Vintage:

90 Points *Wine Enthusiast* Magazine November 2005:

This one is an amazing wine, one dry, tingly-tart and filled with gooseberry, grapefruit and minerals. It stimulates some feral instinct in the mouth living up to its savage, wild name.
